### Keynote Speaker Biographies:

**Firoz Shroff**, President, Founder, Idea Sponsor, International Business Consortium Inc, operating as Markham Wellness District, Social Entrepreneurship Consortium Inc, Past President and Board of Directors, UNITED NATIONS ASSOCIATIONS of CANADA UNACTO

Firoz Shroff - Past President - Co-chair, Sponsorship and Fundraising has been a member of UNACTO <http://to.unac.org/board-of-directors> since 2004 and served as President of the organization from 2005 to 2006. He is a philanthropist and social entrepreneur with over 40 years of experience in the private and non-profit sectors. He also served as a remote coach in Tulane University's social entrepreneurship MBA program. He operates a socially drive private equity fund called [www.IBCRE.com](http://www.IBCRE.com) as well as a social entrepreneurial turnaround firm, [www.SECONSORTIUM.com](http://www.SECONSORTIUM.com) supported by private Family Office structure from Dubai. They are also creating Social Entrepreneurship Fund with their own seed capital with objective that the profits of which will go to SE causes. He services various trusts and Foundations. A successful businessman turned philanthropist and social entrepreneur with passion to create and develop self sustaining ventures by applying innovative social models to create wealth applying diagnostic ability to magnify mega intrinsic values and then apply entrepreneurial model of capitalize them wearing hat of a Businessman, Entrepreneur, Dealmaker, Valufactor, and Social Wealth Originator. To his credit he has administered multi-billion dollar transactions with hands on approach to include creative application to M&A, Corporate Structuring, Capital Market Arbitrage and Financial Derivatives. In his career he has built number of organizations covering infrastructure, systems and applications to an operational process level and is actively involved in creatively setting up innovative implementation strategies. Firoz now concentrates on development based consultancy often working with CEO's to help them look at what is required of the business and of them to make a significant impact on results with social attributes. He also assists social and business sectors to develop self-sustaining entities through collaboration of philanthropy and commerce through his proprietary Social Wealth Originating and Valufacturing Model. The main thrust of his work has been in facilitating people through times of change, to reflect on their current business and to consider how best to respond to the changing environment. [firoz.shroff@seconsortium.com](mailto:firoz.shroff@seconsortium.com)

– When profits are crazy be paranoid and take exit - Wealth allows you the luxury to simplicity - Wealth is when small efforts produce big socioeconomic results which we can share. Poverty is when big efforts produce small socioeconomic results with nothing to share.
